January 2015

From the Pastor's Desk

“Behold, I make all things new!” –Revelations 21:5

There is a hope that comes on the heels of Christmas and the turning of the calendar page.
A new day.

A new year.

Another chance to start from page one.

In our faith life this time of year offers us the same opportunities. For folks who have been feeling like they are in a spiritual rut it is often a chance to try something new. People explore eating differently. They might pick up an exercise routine. I hear a lot of folks trying prayer programs or Bible verse a day initiatives.

Some of those efforts stick. Most don't make it past January 4.

Disappointment, guilt, failure, surrender loom large by day 5. They take the place of the excitement and anticipation of January 1.

But wait...let's re-read the hope that John of (Patmos) proclaimed 2000 years ago.

“Behold, I make all things new!”

The “I” is not us.

The “I” who is doing the work of transformation is God. The Holy is actually working to bring about something different...something healing...something we can't do by ourselves, in our lives.

Perhaps, instead of trying to fix everything on our own this January, we could commit to sitting still.

Letting our Beloved take the reins is not the same as giving up. It is giving ourselves over to someone who is trustworthy and more than capable of making a difference in our lives. We can do this by practicing quiet, or noticing our breathing; we might close our eyes and listen for the still, small voice of the One who loves us most.

Who knows, getting out of God's way for a bit might be the very thing that transforms our circumstances in sacred ways!

As you prepare to turn the calendar, take heart and allow yourself to hear what John heard...

”Behold, I make all things new!”

Peace,

Todd

PARISH NOTES

Giving: It Feels Sooooo Good!

♪ “It’s the most wonderful time of the year!” ♪
 (...unless you consider all the commercial hype and over-spending that so many fall victim to.)

One of the things that makes the Christmas season so wonderful is the celebration of Christ’s birth by exchanging gifts with family and friends—gifts that we have given a lot of thought to and are given as a symbol of our feelings for the one receiving our gift—a symbol of our very lives. *And it feels sooo good!* Giving to the work of Christ through our Church is much the same. Our giving to the Church symbolizes our love and gratitude for God’s Grace and

for the gift of Jesus Christ; it symbolizes our very lives; and when it’s given from our hearts as generously as we can, *it feels sooooo good!*

We are created in the image of God, *the Great Giver*. And so, we are created—“hard wired”—to give, and to give generously from our hearts, from our time and energy, our talents and our material treasure—all given to us by our Gracious God. We can never out-give God, but when we live into that image as fully as we can, *it feels sooooo good!*

Emmanuel - God With Us
 When Jesus was born in Bethlehem, GOD WAS WITH US.

When the Spirit helps us face the challenges of each day, GOD IS WITH US.

When we anticipate what the new year will bring, GOD WILL BE WITH US.

In each moment of the coming year: May we remember that God is with us. May we feel God's presence close to us, surrounding us with His love. May we be inspired to share that love with one another, throughout each day, so that the Light which came into the world at Jesus' birth may shine even more brightly.

Christian Education

We would like to thank everyone who made our children's program a success. With out the help of our volunteers, we could not have done it. The children loved learning their fun song and all the animals noises.

We have a fun packed rest of the year planned for Sunday School. We start the year put with the parable of the lost coin. Followed by the teachings and stories of Moses. With our growing Sunday school, we are looking for volunteers for one Sunday to assist us with lessons. Please contact Kristi or Laurie, or any member of the CE committee.

Blessings, Kristi and Laurie

BIBLE STUDY NEWS

After a 2 week hiatus, the *Monday Night Bible Study* is back! Newcomers are welcome to explore the Bible through a variety of mediums this winter. Our tentative schedule is as follows:

January 5: Santa left a special gift under the tree for our Bible Study Buddies. Let's unwrap it and discover the legacy of faith we have in our Bibles.

January 12, 19: Wrestling with Angels video series. We will be hearing (via video) from esteemed theologians on a variety of life topics. The video interviews will lead us into sacred conversations about these issues that face us in community.

On January 26, Part 2 of the Massachusetts Bible Society series: What is the Bible? Old Testament edition will begin. OT is a 6 week series that explores the creation of and history behind the Old Testament and some of its most familiar texts. Back before Stonehenge or the wheel, back before the pyramids, math, or even the crudest writing existed, ancient peoples gathered and told stories. They told stories of how the world began, what the first people were like, and which of them were heroes or failures. They tried to make sense of the world around them and tried to sort out who the gods were and what those gods wanted from them. More than ten thousand years later, one set of those stories has come down to us in the form of the Old Testament. It is the story of the Jewish people and their distinctive God, giving us a glimpse through story, song, history, and law of the rocky, raucous, faithful, fumbling beginnings of one of the oldest religions on earth. Perhaps you think you know it. Think again. This second course in The Dickinson Series: Exploring the Bible will help you better understand the Old Testament in the context of the world in which it was written. Participants will need to register for this 6 week series by 1/19. Cost of this 6 week program is \$14/person to cover cost of student workbook. Please register by calling church office at 566-3711 or sign up at a preceding Bible Study program.

All Bible Study programs will take place in Libby Hall at 6:30pm with refreshments served.

MONDAY NIGHT POTLUCK NEWS

During the winter months the Monday Night Potluck dinner will take a break. We hope to resume when warmer weather prevails. Stay tuned.
